BLISSFIELDS CRAFT AREA

WORKSHOP INFORMATION AND APPLICATION

Thank you for your interest in the brilliant Blissfields craft area 2017

The craft area is a workshop based space providing a 'hands on' opportunity for festival goers to experience some of the techniques involved in various crafts, to have fun and create a treasured craft piece of their own.

Crafts people are expected to run daily workshops, however, you can also display and sell items of your own making, although trading is secondary to workshop provision.

We would like the workshops to run from 10am through to 4.30pm as a minimum, so please make sure you request enough tickets to give yourself help / a break!

Of course, if you would like to start earlier and keep going till the sun goes down, that would be marvellous.

You are responsible for providing your own workshop area, decoration, seating etc....we want the craft area to look as beautiful as possible and this year as **BIZARRE** as possible so any odd pieces you have...bring them along to add more theatre to our area.

Your workshop should be a sturdy structure able to withstand diverse weather conditions. Any canvas etc. should be certified fire retardant. Fire extinguishers should be in evidence if relevant to workshop.

All frontages should be attractive and self-promoting with workshop times clearly displayed.

The workshop frontage should be able to be closed securely at times when workshops are not running as the craft area is not closed off to the public at any time.

Access to and from your backyard pitch is through your own frontage.

The festival opens its gates at 12 noon on Thursday 6th July, so we need to be fully set up by early Thursday for the health and safety inspection, so arrival by 8pm latest Wednesday 5th July.

The arena itself will open for entertainment at 4pm.

Last venue open will be the Hidden Hedge which finishes at 4am on Sunday morning.

We can usually start moving out by Sunday afternoon

Please make sure you take everything with you when you go... leave it as you found it ☺

Please would you be so kind as to provide the following information:

Application for workshop space at Blissfields Craft Area July 2017

Workshop Name:

Craft involved:

Your name:

Address:

Postcode:

Telephone numbers (landline and/or mobile)
